Notes for Guidance

(For full rules and procedures please see the current edition of the Handbook on Orchid Nomenclature and Registration)

- 1 When completed, this form should be sent to the International Registration Authority for Orchid Hybrids addressed to **The International Orchid Registrar, 2 Albert Street, Stapleford, Nottingham NG9 8DB, England**
Please complete the form using black ink, black ball-point or a typewriter; do not use blue ball-point or pencil.
- 2 Please note that only one form per application is required. The Registrar will retain the processed form and return a photocopy of it to the applicant. Photocopied application forms are NOT ACCEPTABLE. Further supplies of blank application forms are available free and post free from the registrar.
- 3 The application fee is £7.50 (sterling) or \$12.50 (US) and MUST accompany this form (these fees are reviewed annually and changes notified in the Orchid Review). Please ensure you have completed the payment box on the other side of the form and if you are paying by credit card, that you have indicated the name of the cardholder if different from that of the applicant. Please note that credit card companies only debit money in the currency of the country in which the transaction is made. Therefore fees paid in this way have to be collected in sterling in the UK. Any additional conversion/handling charge imposed by the credit card companies is beyond the control of the International Registration Authority. **No** other currencies, or any coins/notes, money orders, postal orders are accepted as payment. Cheques should be made payable to The Royal Horticultural Society (Orchid Registration).
Credit notes must be returned as issued. Failure to present the original copy will result in loss of any credit due.
- 4 The Registrar will cancel any application found to have contained inaccurate information.
- 5 The ORIGINATOR of a grex is the owner (or his assignee) of the seed-bearing parent at the time of pollination.
- 6 If date of first flowering by originator is not known please insert the date that you as owner first flowered it in your possession.
- 7 A photograph (print or transparency/slide) is required for primary hybrids (ie between two species) and for new hybrid genera.
- 8 The database of registered orchid hybrids may be reached online at www.rhs.org.uk/research/registration_orchids.asp
- 9 Registration can **not** be accepted by e-mail nor over the internet.
